PROFILE

I'm Ahsan Bashir, founder and CEO of Abinos (results-driven creative agency). With over 560 completed projects, I help brands and creators build strong digital identities, automate content systems, and scale their presence on platforms like YouTube.

My strengths lie in video editing, social media strategy, youtube automation, and structured content delivery. I work with global clients to turn raw ideas into well-managed, monetized digital brands.

EXPERIENCE (YEARS AND LEVEL)

WORK

- CEO & Founder** 2022-Present
Abinos
Leading a digital agency offering high-impact video production, strategic marketing, social media management, and much more.
 - ☑ Delivered 1930+ projects remotely on Fiverr, Upwork, and LinkedIn.
 - ☑ Manage content creation: editing, scripting, voice-overs, SEO.
 - ☑ Drive social media and YouTube growth strategies.
 - ☑ Oversee branding, marketing campaigns, and client relations.
- Video Editor** 2019-Present
Fiverr | Upwork | LinkedIn
Skilled in crafting engaging and polished videos that drive audience retention and brand impact.
 - ☑ Edit and enhance videos for YouTube, social media, and marketing.
 - ☑ Create faceless "cash cow" videos with optimized scripts and voiceovers.
 - ☑ Design thumbnails and visuals to boost click-through rates.
 - ☑ Ensure timely delivery of high-quality, platform-ready content.
- SM Marketing Manager** 2019-Present
Fiverr | Upwork | LinkedIn
Strategically plan and manage social media campaigns to maximize brand visibility, engagement, and growth.
 - ☑ Plan and execute targeted social media campaigns across platforms.
 - ☑ Manage content calendars, posting schedules, and audience engagement.
 - ☑ Analyze performance metrics to optimize reach and conversions.
 - ☑ Collaborate with influencers and run paid advertising campaigns.
